Reduced price: € 799.000,00

Reduced price: **€ 500.000,00**

Arcadia III - General Information

Beautiful Franchini 63 L maintained excellently by the owner, with teak blanket and aft garage that can hold a tender with stiff guillotine up to 3.2 m in length. Always at the stern we have the platform that can be opened with a bathroom ladder.

The glid is built in such a way that it can decrease the draft without compromising stability. The hull is sandwich-built, with kevlar reinforcements, epoxy resin, vacuum layered and cooked for 72 hours at a temperature of 85 degrees C.

The interior furniture is entirely made of solid teak with fine finishes.
